REPORT AND

RECOMMENDATION

ON GUILTY PLEA

On December 8, 2008, defendant Alonzo Wynne (Wynne), together with his counsel, Ernest H. Addison, Jr., appeared before the undersigned magistrate judge and was advised of the charges, the penalties and the right to appear before a United States District Judge. After orally consenting to proceed before a magistrate judge, Wynne entered a plea of guilty to Counts I, IV, XI and XIV of the Superseding Indictment.

After being sworn, Wynne was orally examined by the undersigned magistrate judge in open court as required by Federal Rule of Criminal Procedure 11. Wynne also was given the advice required by that Rule. Finally, Wynne was given a full opportunity to address the court and ask questions.

Counsel for the government and counsel for Wynne were given the opportunity to suggest additional questions by the court. Moreover, both counsel orally certified that they were of the opinion that the plea was knowing, intelligent and voluntary, and that there was a factual basis for Wynne's pleas of guilty to Counts I, IV, XI and XIV of the Superseding Indictment.

Therefore, I find and conclude that: (1) the pleas are knowing, intelligent, and voluntary; (2) there is a factual basis for the pleas; (3) the provisions of Rule 11 and any other provisions of the law governing the submission of guilty pleas have been complied with; (4) a petition to enter a plea of guilty, on a form approved by the court, was completed by Wynne, Wynne's counsel and counsel for the government, and such petition was placed in the court file; (5) the plea agreement is in writing and is filed in the court file; (6) there were no other agreements or stipulations other than as contained in the written plea agreement.

IT IS RECOMMENDED TO JUDGE LAURIE SMITH CAMP that:

1. She accept the guilty pleas and find the defendant, Alonzo Wynne, guilty of the crimes set forth in Counts I, IV, XI and XIV of the Superseding Indictment to which Wynne tendered a guilty plea;
2. She accept the written plea agreement with the understanding that the court is not bound by the parties' stipulations, but may with the aid of the presentence report, determine the facts relevant to sentencing.
